My name is Kelley Price and I am the Wood County Clerk where I have been employed and worked as the Chief Deputy under the former County Clerk of 28 years, Brenda Taylor. After her retirement I was elected as County Clerk in 2011 and did not realize at the time I was about to be joining a group of clerk acquaintances that would become as close to me as my own family. After the loss of my home and fur babies in March of this year, due to a devastating fire, I gained so much strength through the blessings and friendships of my clerk family.

I have been married 28 years to my best friend, the love of my life, Wesley Price, employed by Wood County Electric Coop as a lineman/serviceman. I have two daughters that have grown into beautiful and strong women. Lindsey, who served in the U.S. Navy in Yokosuka, Japan on the USS McCampbell Defender and is now employed by the Wood County Sheriff's Department. Cassidy, is employed by Peoples Telephone Coop, and has blessed me with my biggest blessing, my grandbabies, Carlee June (7 yrs. Old) and Riggan Jake (2 yrs. Old).
