

County and District Clerks' Association of Texas Vendor Questionnaire

The County and District Clerks' Association would like to provide a Vendor List on the CDCAT website. This will be provided at no cost to you. In compiling the list we believe it essential to provide what types of service you offer, in addition to your contact information. We would also like to include a link to your company's website to direct clerks to more in-depth information when they begin searching for specific services. This questionnaire is intended to ascertain the information we need to place you in the most appropriate category and summarize the services you offer. Please provide this information via e-mail to: skemp@collincountytx.gov using the format below to ensure all information requested is received. We appreciate your support of CDCAT and look forward to working with you on this project.
