I have been working for Brewster County for 31½ years. I was first elected to the office of County Clerk of Brewster County in 1994. This started a journey I am truly proud of as I am the first Hispanic to be elected as County Clerk for Brewster County. Today, I am honored with the nomination for County Clerk of the Year.

I am truly blessed to be married to my husband Mario for 32½ years. We have four amazing children, Mario Jr., Chris, Lucia, and Julio, and four beautiful grandchildren: Mia, Naya, Miles, Xenia, and one on the way in October.
