Dear Board of Directors:

During this period, when much of the State of Texas and our nation is in a state of disaster due to the COVID-19 virus, the Executive Board is recommending rescheduling the 125th Annual Conference to the Fall Conference which will be held in College Station. Please know we truly feel it is in the best interest of our Clerk family and imperative we reschedule. We are working with TAC on logistics and our judicial grant. The Education Committee will be handling the agenda and we will be adding more education hours to the Fall agenda.

I will need a motion and a second followed by a vote.

Thank you all in advance,

Laura

Dear Board of Directors:

During this period, when much of the State of Texas and our nation is in a state of disaster due to the COVID-19 virus, the Executive Board is recommending rescheduling the 125th Annual Conference to the Fall Conference which will be held in College Station. Please know we truly feel it is in the best interest of our Clerk family and imperative we reschedule. We are working with TAC on logistics and our judicial grant. The Education Committee will be handling the agenda and we will be adding more education hours to the Fall agenda.

I will need a motion and a second followed by a vote.
